

# Mobile Retail Platform

*“We sold 30% more than last year at the same event since we were able to do the transactions in half the time.”*

## Mobile Suite Pro

Imagine gaining the power and flexibility of mobility throughout your retail operations from cashiers to the stockroom in one convenient and affordable package. Now you can with the Mobile Suite Pro from New West Technologies.

The Mobile Suite Pro extends Microsoft RMS with the mobile functionality your retail operations needs to process sales transactions, work more efficiently and manage inventory accurately. Use Mobile Suite Pro and your point of sale is anywhere you are.

## Mobile Suite Pro

Tender transactions, authorize credit cards and print receipts on the spot with a handheld device. Automatically update your inventory system wirelessly. It's a mobile POS solution that can take your store operations to a whole new level of performance and profitability.

Mobile Suite Pro works with the Microsoft Dynamics Retail products. It provides a complete, mobile solution including Mobile POS.

### Use the Mobile Suite Pro for:

- Queue acceleration
- Event merchandising
- High-touch retail stores
- Tent sales
- Anywhere retail sales happen
- Do fast and accurate inventory counts
- Receive inventory at the loading dock
- Create PO's or Transfers on the sales floor
- Edit Item descriptions while on the sales floor
- Print labels where your inventory is
- Create Gift Registries by walking the floor with your customers
- Count inventory in real time

### Individual Software Modules

- Mobile Cashier
- Mobile Physical Inventory Count
- Mobile Purchase Order
- Mobile Label Printing
- Mobile Item Manager
- Mobile Transfers
- Work Order, Quotes, Layaways, Gift Registries
