

Online Retail

Multi Channel Retail

Do you want to extend your sales opportunities online? Do you need to integrate E-commerce capabilities with RMS?

Extend your brick and mortar store with the Web Integrator. Web Integrator is your best tool for growing online sales, while increasing efficiency and reducing manual data entry.

“Setup was fast, and the shopping cart integration has efficiently moved us into the internet, greatly advancing our reach.”

E-Commerce Integration

Integrate your store with your shopping cart.

Web Integrator integrates your online store into RMS effortlessly and works with most E-commerce solution providers.

Features and Benefits:

- Simple and easy setup
- Download orders
- Upload inventory, description, images
- Upload customer information
- Upload shipment tracking number
- Automatic scheduling
- Always on sale option, this allows you to upload two prices, so on supporting carts, you can upload an msrp and another price with the msrp crossed out and the value price in bold
